

22nd Annual Tournament

North of England Schools Invitation Sevens

Sunday 7th March 2010

Rugby Football seems to be increasingly a twelve-month-a-year exercise: hence, here, at the heart of the cricket season, I am composing my first letter of next season's Tournament.

I like to think that the '09 event was enjoyable. It was for me, particularly, as it was our 21st and, in this respect, may I thank all of you who entered and also those of you who were able to join us for Dinner the evening before.

For '10, I suspect the course of events will be similar to previous years. However, there may be a couple of additions. The first is we are aiming to organize a Girls Tournament for a limited number of schools, say 12, and we shall endeavour to run this at the Birkenhead School, Noctorum Lane ground during the day with the final at the Upper Park later in the afternoon. This event is in its early stages of preparation and further details, together with entry forms, will be circulated as soon as practicable.

The second addition is that we are proposing to have some sort of informal, 'get together', with a buffet, the previous evening for all involved. This will include sponsors, guests, the organizing committee, members of B.P.F.C. etc. In an ideal world we should like to welcome masters from the participating schools, but I am conscious of the problems, leaving your charges on their own in a hotel! Hopefully, we shall find some solution.

Therefore, with this screed is the Entry Form for the 2010 Tournament, and I invite you to fill it in and let me have it, together with your deposit, guaranteeing entry. As usual, we are restricted to 40, and entries will be processed strictly in the order in which they are received. I do hope you will feel inclined to support us again – or, indeed, for the first time – and I much look forward to welcoming you to Birkenhead.

Sincerely
Graeme Marrs
